Handling COBRA in Stable and Changing Workforces

Tuesday, Aug. 11, 2026

1-2 p.m. CT

Attend this live webinar to understand how to confidently navigate typical COBRA administration obligations as well as in high-stakes scenarios like mergers, acquisitions, layoffs, furloughs, and Medicare coordination.

Key Takeaways

1. Learn the core COBRA requirements and how they apply during organizational transitions and workforce reductions.
2. Gain clarity on employer responsibilities during M&A events including successorship rules, plan continuity, and communication timelines.
3. Develop a practical framework for handling COBRA in layoffs and furloughs, and coordinating with Medicare to reduce compliance risk and ensure a smooth participant experience.
